## Recommended Use

Your Accessories Shelf is designed to be used with the G241 Changing Table and the G261 Changing Table with Steps. It can be mounted on the cabinet at either end. However, it is recommended that the shelf be mounted on the foot end of the changing table so that items are out of reach of the child. In the bottom is a cradle that will accept an 18" wide paper roll. The clear top shelf is handy for gloves and wipes.
