Recommended Use

Designed to support the active and cooperative play needs of groups of children.

See photo captions below for appropriate age ranges for each item.

⚠ WARNINGS

- ▲ This product is intended for use by children of immature judgement and therefore adult supervision is required at all times.
- ▲ Use only on level ground or indoors. Do not use near steps, sloped driveways, roads, alleys or swimming pools.
- ▲ Riders should always wear shoes. Wearing of helmet is recommended.

Maintenance

Keep indoors or under cover when not in use.

Periodically inspect for broken or loose parts. Remove the product from service when any condition develops that might make operation unsafe.

Construction

Finish is a tough baked-on powder coating.

Steering has long-wearing Delrin plastic bushings at the top and bottom of the head tube and internal oversteer protection.

Frame is welded steel tubing, and contains sealed ball bearings for the pedal cranks.

Seats are a soft synthetic rubber.

R211 11" Roadstar I R213 13" Roadstar II R215 Totstar

Pedals are long-wearing, impact-resistant, molded synthetic rubber.

Wheels are molded polypropylene with precision ground sealed ball bearings.

User Modifications

We are not responsible for modifications made by customers to our products in the field, without our supervision, testing or evaluation.
